

## **Sales Representative Residential Roofing**

Toronto's most respected roofing company has an immediate full time opening for our expanding residential roofing division. Work day will be divided between the office in Etobicoke and customers' homes across west and central GTA. Some evening and Saturday work required.

### Qualifications

The candidate we select will:

- be competitive, focused, adaptable, and coachable
- have excellent listening and communication skills
- be willing to learn our selling system
- be able to make decisions with both the customer's needs and bottom line in mind
- have excellent presentation skills
- have a valid driver's license
- be able to lift, maneuver and climb a extension ladder
- be familiar with excel spreadsheets
- be able to effectively manage time and priorities

Previous sales experience preferred. No roofing knowledge required.

### Compensation

We will provide you with extensive training and support.

- competitive salary, commission, quarterly and annual bonus structure, and profit sharing
- income based on your effort; target income:
- company health benefits
- company vehicle
- friendly, supportive work environment
